12/18/2018		MINUTE ORDER. The Court has reviewed the plaintiff's <u>16</u> Status Report and the defendants' <u>17</u> Consent Motion for Extension of Time to File the Joint Status Report. This is the defendants' fifth request for an extension of time in this case. The plaintiff has consented to, and the Court has granted, four previous extensions. The plaintiff consented to the instant request as well, but chose to file a separate status report late last evening to avoid missing the deadline set by the Court. In his status report, the plaintiff requests that the Court establish deadlines for the defendants to release all non-privileged documents and to file a motion for summary judgment and Vaughn index. The plaintiff did not propose any particular deadlines but expressed concern with the defendants' failure to provide any records, despite their previous representation that they expected to complete their release of documents by December 10, 2018. See Joint Status Report (October 17, 2018) (defendants planned to make first release of records by November 9, 2018 and believed they could complete production of all records by December 10, 2018). The Court will defer establishing the deadlines requested by the plaintiff until the parties have had an opportunity to meet and confer and to propose a joint briefing schedule and schedule for further proceedings, if necessary. Accordingly, it is ORDERED that the defendants' consent motion is GRANTED. It is FURTHER ORDERED that the parties shall file a joint status report on or before December 21, 2018. The joint status report shall include proposed deadlines by which the defendants must complete their release of documents and file a Vaughn index and any dispositive motions. Further requests for extensions by the defendants will not be granted. Signed by Judge Dabney L. Friedrich on December 18, 2018. (lcldf1) (Entered: 12/18/2018)
